

Namakau Star releases latest single *Boomerang*

By  Martin Myers

11 Oct 2023

Namakau Star, the enigmatic and trendsetting artist, released her much-anticipated single *Boomerang* recently.

The song, a collaborative effort with The Planetoids, serves as a testament to Namakau Star's distinctive artistry and her ability to craft a world that seamlessly merges the futuristic with the nostalgic. The track promises to captivate audiences with its engaging melodies, rich harmonies, and thought-provoking lyrics.

What is your purpose?

My purpose is to create music as well as be my most authentic self and share that without reserve and teach others how to live in their truth through their creative efforts.

What does music mean to you?

In the wise words of the late great Fela Kuti, music is a very spiritual thing and it is the reason why I have expanded so much as a human.
