Do-It Corporation: Manufacturer of hang tabs and display strips

Issued by Pyrotec

1 Jun 2016

Do-It Corporation has been manufacturing hang tabs, display strips and point-of-sale display solutions since 1973. They have grown into the largest hang tab manufacturer in the world, supplying the packaging and retail display industry.

Do-It Corporation's product line has expanded over the years to add bottle-neck hang tabs, merchandising display strips and carry handles. Their main strength and focus, however, remains to create the world's best hang tabs.

Do-it's business focus has led them to develop a hang tab test centre. This centre has been significant in establishing a series of hang tab testing standards. As a result of this testing, customers will know which hang tab style will work best for their retail display needs.

Pyrotec PackMedia is the proud, sole distributor of Do-It® Hang Tabs and Display Strips in South Africa. We provide Do-It® Hang tabs and Display Strips to our customers with the assurance that all our hang tabs have been tested and approved to be used in any retail environment.

Call us today on 021 787 9600 or email us at do-it@pyrotec.co.za to find out more about our range of hang tabs and display strips, or to request a quotation.
