“ The work awarded at the Bookmarks this year, not only celebrates the winning work and leading talent in South Africa, it also becomes a showcase of the go-to case studies and inspiration for up-and-coming talent across the country, as the benchmark for digital excellence. – Jury President Jerry Mpufane ”

Transformation was high on the agenda at the Awards, with Digify Africa being celebrated for the Best Contribution to Transformation in the Digital Industry. Digital education was also emphasised in the award for Best Individual Contribution to Digital being awarded to Carmen Murray, founder of Boo-Yah.
