It's without a doubt that an active online presence contributes significantly to any business' relevance, visibility and brand awareness. Additionally, it means your business stays connected to its current and potential customers.

Location Bank's Posts dashboard is a useful and convenient tool for businesses to share their latest offers, events and news with ease. It allows us to post directly to your Google Business Profile account, Facebook brand page, Facebook location pages and your Store Locator with just one click of a button.

It's the ultimate convenience - it's effortless and eliminates the trouble of having to manually post to every one of your location pages while maintaining an active presence.
