7 Oct 2009

South Africa's leading home enhancement and improvement group presents this year's **Durban HOMEMAKERS Expo** from 8-11 October 2009 at the Durban Exhibition Centre. This popular event offers the most comprehensive range of products for renovating and decorating your most valuable asset - your home, from basic home improvement to innovative decor ideas.

Ranging from sleek bathroom fittings and modern kitchen appliances to must-have home furnishings and the latest decor ideas, visitors will find everything they need under one roof.

The expo offers visitors the opportunity to explore, compare, and discuss their specific needs and problems with 240 market leading interior and exterior home improvement specialists. Whether you are in the market to buy or find inspiration, this show has the solution to make your dream home a reality.

One of the highlights at this year's expo is the Green Living Feature Area. Industry experts in their respected fields will provide all the information you could need regarding recycling; from how to, what to, and where to make a difference when it comes to saving our planet.

Another exciting first at this year's HOMEMAKERS Expo is the Art Walk featuring the KIZO art consultancy and art gallery - home of the 2010 African fine art collection which has been recognised as Official Licensed Products for the 2010 FIFA World Cup.
