

# Experienced Senior Graphic/Digital Designer

Hello. I'm Mirah Bradt. I'm a qualified, established senior designer and copywriter with broad experience in the property market, specialising in graphic design, brand identity, visual communications, digital and web. Based in Sandton CBD in Johannesburg, I am Adobe Creative Cloud trained and certified, fluent with MacOS, Adobe Creative Suite platforms.

Choosing to work with me facilitates building a powerful professional partnership that evolves intelligently with your business needs to present compelling visual design concepts that are persuasive, relevant, and practical.

From the first concept to the completion, my objective is to translate creative concepts into original and effective visual design and content. Proactive, personal, reliable, hands-on project management is the foundation for exceptional professional work that is always delivered on time, within budget, and to brief.
