

Photographic Sales Consultant

Location:

Cape Town, Bellville

Sales consultants are in charge of handling the sale of a range of products and services directly to consumers, and of answering requests for information from customers. They are at the service of the customer: before the sale, to advise; during the sale, to explain the terms; or after the sale, in the event of claims or returns. They may also draw up sales contracts, prepare merchandise and help in setting up displays.

Add clients to database, pricing and packing of stock.
