Road Safety is top priority for the leaders in wheel and tyre fitment, Tiger Wheel & Tyre, and this Winter is no exception. Together with Michelin, Tiger Wheel & Tyre is going the extra mile to enhance safe road travel for their customers, with their giveaway of nifty Michelin Branded Safety Kits on the purchase of any Michelin Tyres.

With the purchase of any two Michelin Tyres starting from only R459 each, customers will receive a free Michelin branded First Aid Kit complete with bandages and other aids to assist with minor injuries. Buying four or more Michelin Tyres sweetens the deal even further with a free Roadside Emergency Kit, complete with all the handy emergency gadgets that every driver should have, including a safety triangle - now the legal standard for all South African drivers - and a set of jumper cables.

Tiger Wheel & Tyre understands that the journey is not just about reaching the destination; it is about getting there in the safest way possible. That is why their emphasis remains on safety, and rewarding their customers with great deals, throughout the year, is just another reason why Tiger Wheel & Tyre is still Southern Africa's favourite place to buy tyres.\*\*

Tiger Wheel & Tyre Marketing Executive, Joe Du Plooy adds, "Our focus is always on value for money and "peace of mind" travelling and it's great that we can further promote this by way of partnering with one of the world's leading tyre brands, Michelin."
