A brand new feature at this year's Cape Homemakers Expo is our **What's it Worth? - Antique Appraisals**. Now in its eighth year, the exciting **Future of Design** will again celebrate innovative design by South Africa's leading local talent.

Another very exciting project at this year's Cape HOMEMAKERS Expo is **screenART**. Visitors are invited to bid on their

favourite decorative room divider designed by some of South Africa's foremost creative talent, which will be on display for the duration of the Expo. All funds raised will be donated to charity.

Says Sandy Edwards, Expo Organiser: "This year's Cape Homemakers Expo promises to be the most exciting to date, with feature areas to suit everyone's interests and desires. We aim to offer both exhibitors and visitors an unparalleled experience."
