

Sunday Times takes on Mugabe, Nujoma

The Sunday Times is fighting an attempt by Zimbabwe's President Robert Mugabe and Namibia's President Sam Nujoma to hijack its name for propaganda purposes. The newspaper has taken legal steps to fight plans by Mugabe and Nujoma to launch a regional newspaper called the New Sunday Times, widely believed to be a direct challenge to the Sunday Times - which has exposed greed and corruption in Zimbabwe and Namibia, as well as the economic and political crisis in Zimbabwe.
