

Safrea releases 2017/2018 media industry rates survey

The Southern African Freelancers' Association (Safrea) has released the 2017/2018 SA freelance media industry and rates survey and is now live.

The survey serves as a tool to gather relevant information on the sector and to assess current rates trends.

The survey will take approximately fifteen minutes to complete.

Click [here](#) to start the survey.
