

## ABN Productions appoints new head

From January 2014, Alexander Leibner is the new head of events company, ABN Productions. The company starts the year with a Brand SA 'Thought Leadership Breakfast', ahead of the World Economic Forum in Davos Switzerland, setting the tone for further premium events in 2014.

Leibner has more than 10 years media experience across online, print, television and radio and is the former head of group marketing for Africa Business News, the holding company of CNBC Africa and Forbes Africa on the continent.
