

GLZ appoints Flow Communications to assist with communications across Africa

Flow Communications has been awarded a three-year contract via a public tender process to assist the Deutsche Gesellschaft für Internationale Zusammenarbeit GmbH (GIZ) in its communication work across the African continent.

GLZ is a global service provider in the field of international cooperation for sustainable development, dedicated to shaping a future worth living around the world. As a public-benefit federal enterprise, GLZ supports the German Government – in particular the Federal Ministry for Economic Cooperation and Development (BMZ) – and many public and private sector clients in achieving their objectives in international cooperation in around 120 countries.
