The newly opened Checkers store prioritises premium fresh food and convenience. Its easy-to-navigate layout takes customers on a journey through a world-class selection of premium products and specialist in-store service departments that include:

- A meat market with free-range chicken and top-quality meats
- A wine cellar with an extensive range of wines from around the world
- Fresh flowers for every occasion
- A bakery with artisan breads
- Coffee bar
- Hot and cold foods deli for easy entertaining
- A Money Market counter.

The store provides employment to 71 people and created 26 new jobs. It will be managed by Mamelodi East's Jack Matsila, who joined the retailer in 2007 as a perishables controller.
