

Nick Booth appointed as new deputy MD at Corobrik

Nick Booth has been appointed deputy MD at brick maker Corobrik. Booth will be tasked with managing the company's sales and marketing.

Booth's career at Corobrik started as a production trainee in 1980. Booth left Corobrik and went on to join the refractory industry in 1992 and Ceramic Industries in 1998. He was promoted to CEO of Ceramic Industries in 2001 and took over at the helm of Itatile as CEO from July 2014.
