

## Day two highlights

Design Indaba speakers continue to share their creative insights...

“The four damaging stereotypes of black women in cinema: the slave, the mad, the sex worker and the angry black woman.”

**The Foxy Five**

“...stature, play  
...ur to destabilise  
...t discourse.”

**node**

“When data is reduced  
at human scale, it  
much stronger for  
what it means.”

**Isabel Mager**

“Personal data collection is exhilarating. Suddenly everything becomes so much more self-awareness almost unbearable.”

**Kaki King**

“...ers, we have the opportunity to not just see objects but to see processes.”

**leaz**

“Don't be afraid to put your work out there, put it out there, and don't be afraid to be rare.”

**Blinky Bill**

First they told us  
design a new col  
mouse, then they  
to make an AirBn

**Freestyle Love  
Supreme**
