

Monday it is! An extra day to get your Loeries entries in...

You have one more day to get your Loeries 2015 entries in.

That's right - you're in luck if the Sunday deadline wasn't working for you, as you now have until Monday, 1 June to enter your work, and until the end of the week to deliver your physical entries to the Loeries office.

Eligibility dates still apply though, meaning your work must have been commercially published, launched or aired by 31 May 2015. [Enter your work here.](#)
