

Eurowings introduces new flight route between Frankfurt and Windhoek

Eurowings has expanded its offering of long-haul flights by introducing a new flight route between Frankfurt and Windhoek.

The airline is to operate the route three times a week in the winter flight schedule of 2019/20 using an Airbus A330, which has up to 310 seats.

The first flight will depart Frankfurt on 29 October 2019 at 8pm and arrive in Windhoek on 30 October 2019 at 6.15am. The return flight from Windhoek departs on 30 October 2019 at 8.35am and will arrive in Frankfurt at 6.55pm.
