The Good Report is compiled by ACT Responsible, the international non-profit association and largest source of the world's best ads for social and environmental issues, in collaboration with Warc Creative, helping companies transform the commercial impact of creative marketing, and publisher of the Warc Rankings.

Just great work

The Good Report ranking is produced by combining the results of the recently published Warc Creative 100, the global benchmark for creative excellence, with ACT Responsible initiatives: Great Ads for Good Exhibition, the Care Awards, TV show One minute of Responsibility, Tributes (public vote), and the Good Ad Gallery. There are no complicated criteria or categories, just great work for good.

A total of 1,029 campaigns produced by 658 agencies for 897 advertisers (non-profit, public sector, and commercial brands) across 77 markets were evaluated for this latest *Good Report*.

Of the top 40 campaigns featured in *The Good Report 2022*, 20 are for non-profits, 17 for commercial brands (including one produced in collaboration with a non-profit) and three for public sectors. A total of 39 agencies (27 are part of 11 networks and 12 are independent) across 24 markets are represented.

The top 25 agencies are made up of four independent and 21 networked agencies (from 11 different networks) covering a total of 13 markets. Of the top 20 networks, five are independent and 15 are owned by holding companies. The top ten brands include seven non-profit, and three for-profit.
