

Avenir unveils the Energizer Hardcase H240S

Avenir Telecom has unveiled its newest feature phone, a 4G rugged bar phone. Through a collaboration with Energizer, Avenir has developed the Energizer Hardcase H240S.

The Energizer Hardcase H240S's battery offers up to 9.5 days on standby and 12 hours of talk time for lasting availability. It is also resistant to damage from water or dust and is waterproof for 30 minutes up to a depth of 1.2 metres.
