Darren Scott has been released from his contract with OFM, the sound of your life. Earlier in August Darren requested to be released from his commitments to OFM; contractually due to end on March 2020. The programme producer, WR van der Merwe, will also be leaving the programme, end of October 2019, to take up an excellent opportunity on East Coast Radio's breakfast show in Durban.

Darren Scott

Darren Scott is the current host of the *Just Plain Drive* programme on OFM, broadcast weekdays from 4pm to 7pm across the Free State, Northern Cape and North West. Darren is also the host of a programme on Mix FM in Johannesburg, and the host of the weekend breakfast show on Bok Radio in Cape Town.

"With such a heavy radio presentation schedule, understandably, Darren would need to relook his commitments, which OFM have accepted and respect his request and decision," says Nick Efstathiou, CEO of OFM's holding company, the Central Media Group. "The station wishes him well and thanks to him for the two-and-a-half years he spent

entertaining the people of Central South Africa," adds Efstathiou.

The *Afternoon Drive* programme on OFM will be hosted by WR van der Merwe and Natasja Jacobs until the end of October 2019.
