Graphic Designer

Remuneration:	negotiable depending on experience
Location:	Johannesburg, Rivonia
Remote work:	Some remote work allowed
Job level:	Mid/Senior
Own transport required:	Yes
Type:	Permanent
Reference:	#eSIM01
Company:	eSimplified

eSimplified is a leading provider of custom eSIM solutions, enabling businesses to deliver seamless data connectivity experiences for travellers. We eliminate the hassle of physical SIM cards and ensure travellers stay connected globally.

We're seeking a talented graphic design all-rounder for our B2B business, eSimplified, as well as our B2C brand, KnowRoaming.

The graphic designer will be responsible for creating high-impact elements for a variety of projects such as mailers, banners, social media graphics, marketing materials and animated videos, as well as coming up with creative concepts. Solid web design experience is required, with a focus on website elements and layout.

It is an excellent opportunity to gain invaluable experience working with international markets and shaping the brands' globally.

Requirements

- 4-6 years of experience in a similar role
- Experience with conceptual design
- Knowledge of Typography and its application in design
- Proficiency in relevant design software and tools; Adobe Suite and Figma are essential
- A keen eye for detail and creativity in design
- Ability to work independently and collaboratively
- Excellent communication and time management skills
- Degree or certification in Graphic Design or related field

Ready to join a dynamic team and make your mark? Please apply by sending your CV and portfolio. Applications without a portfolio attachment or link will not be considered.
