

# Senior Graphic Designer/Art Director

Hello. I'm Mirah Bradt. I'm a qualified, experienced, established senior designer specialising in graphic design, brand identity, visual communications, digital, and web. Based in Sandton CBD, I am Adobe trained and certified, working on MacOS, Adobe Creative Cloud platforms.

Choosing to work with me facilitates the building of a powerful professional partnership that evolves intelligently with your business needs to present compelling visual design concepts that are persuasive, relevant, and practical.

From the first concept to the final completion, my objective is to translate great concepts into original and effective visual design. Proactive, personal, reliable, reputable, hands-on project management is the foundation for exceptional professional work that is always delivered on time, within budget, and to brief.
